**"Miasto sprawiedliwości naprawczej - most do porozumienia"**

**8 - 9 listopada 2021 / Wrocław**

**Dr. Ian D. Marder** is Assistant Professor in Criminology at Maynooth University since May 2018. Before then, he worked at the Universities of Liverpool and Leeds, where his research focused on restorative policing. After working with the Council of Europe to draft CM/Rec(2018)8 concerning restorative justice in criminal matters, he established and coordinates Restorative Justice: Strategies for Change, a 10-country partnership in which Poland is involved, and which seeks to implement that Recommendation.
